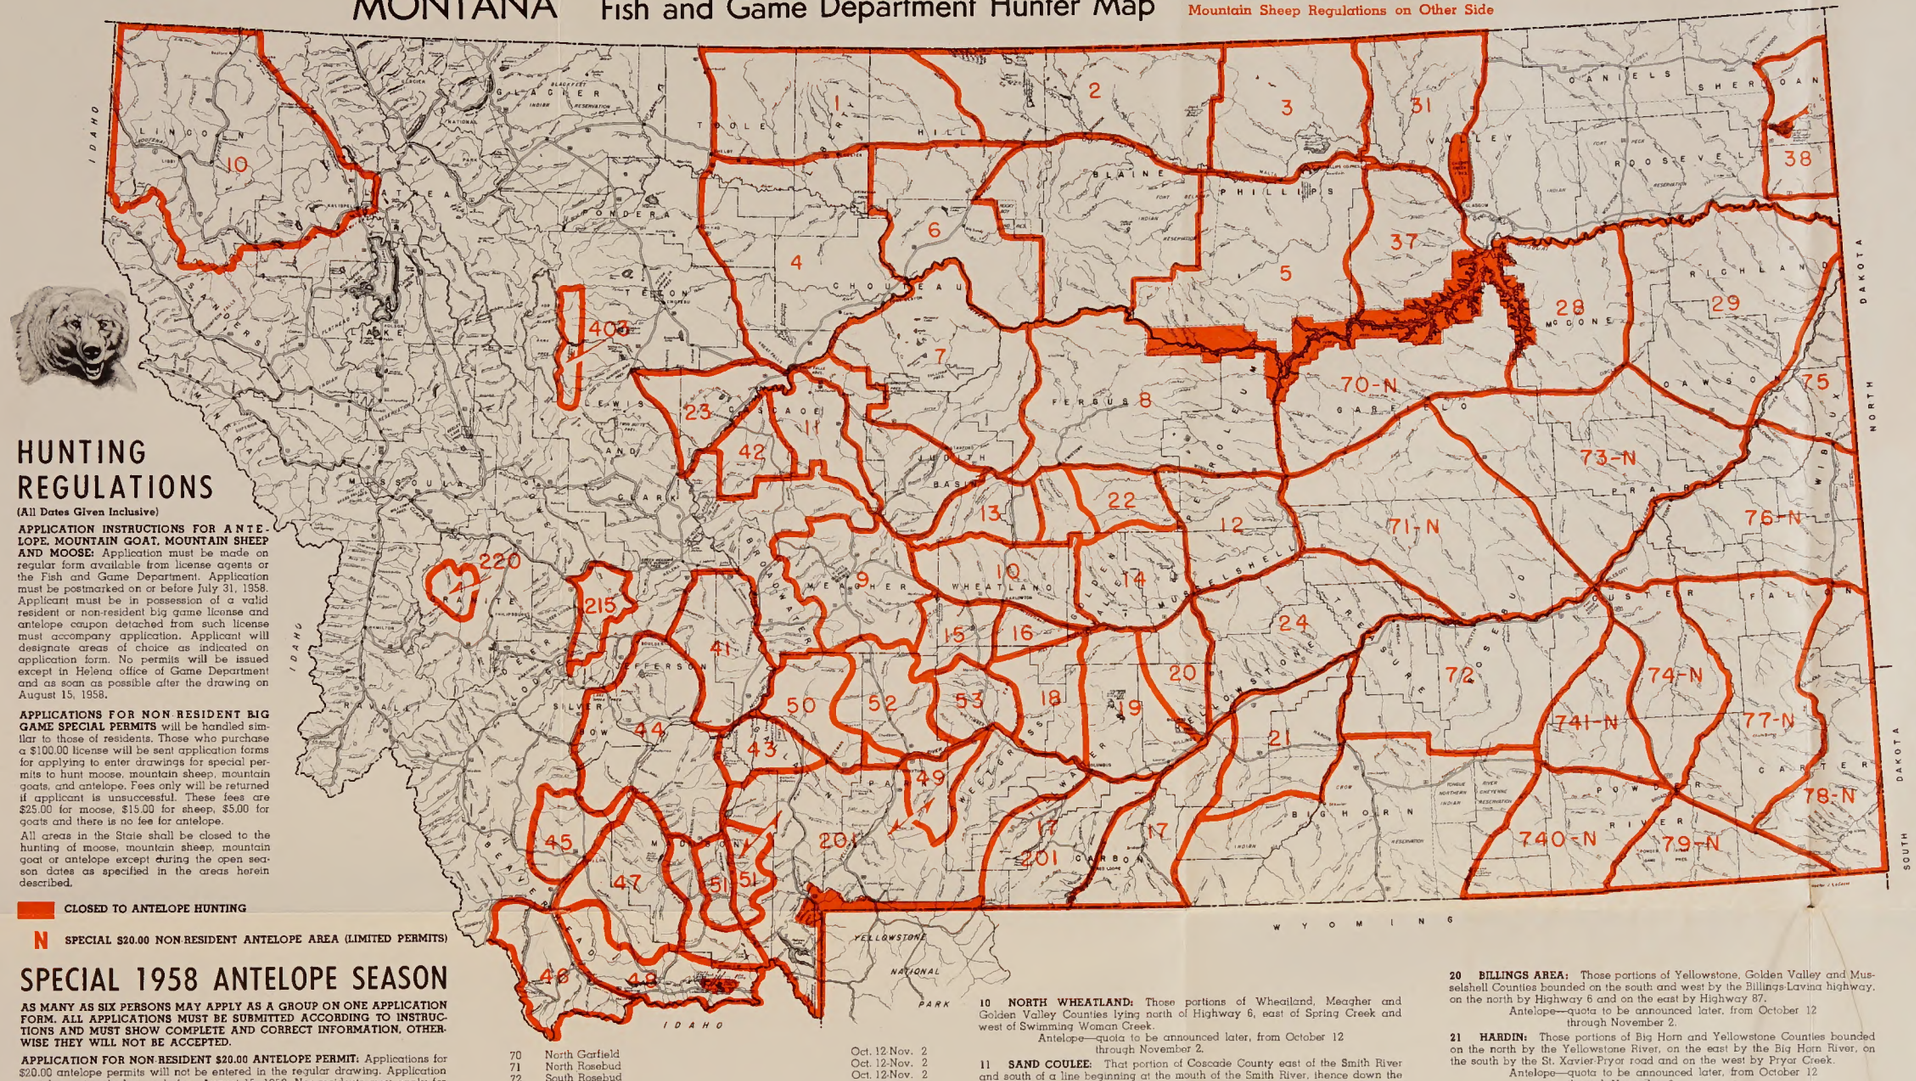
MONTANA Fish and Game Department Hunter Map



HUNTING REGULATIONS

(All Dates Given Inclusive)

APPLICATION INSTRUCTIONS FOR ANTELOPE, MOUNTAIN GOAT, MOUNTAIN SHEEP AND MOOSE: Application must be made on regular form available from license agents or the Fish and Game Department. Application must be postmarked on or before July 31, 1958. Applicant must be in possession of a valid resident or non-resident big game license and antelope coupon detached from such license must accompany application. Applicant will designate areas of choice as indicated on application form. No permits will be issued except in Helena office of Game Department and as soon as possible after the drawing on August 15, 1958.

APPLICATIONS FOR NON-RESIDENT BIG GAME SPECIAL PERMITS will be handled similar to those of residents. Those who purchase a $100.00 license will be sent application forms for applying to enter drawings for special permits to hunt moose, mountain sheep, mountain goats, and antelope. Fees only will be returned if applicant is unsuccessful. These fees are $25.00 for moose, $15.00 for sheep, $5.00 for goats and there is no fee for antelope.

All areas in the State shall be closed to the hunting of moose, mountain sheep, mountain goat or antelope except during the open season dates as specified in the areas herein described.

CLOSED TO ANTELOPE HUNTING

N SPECIAL $20.00 NON-RESIDENT ANTELOPE AREA (LIMITED PERMITS)

SPECIAL 1958 ANTELOPE SEASON

AS MANY AS SIX PERSONS MAY APPLY AS A GROUP ON ONE APPLICATION FORM. ALL APPLICATIONS MUST BE SUBMITTED ACCORDING TO INSTRUCTIONS AND MUST SHOW COMPLETE AND CORRECT INFORMATION, OTHERWISE THEY WILL NOT BE ACCEPTED.

APPLICATION FOR NON-RESIDENT $20.00 ANTELOPE PERMIT: Applications for $20.00 antelope permits will not be entered in the regular drawing. Application must be postmarked on or before August 15, 1958. Non-residents may apply for a $20.00 antelope permit to be issued only if the quota in any Non-Resident Area is unfilled after the regular drawing. If there are more non-resident applications than the number of permits available, a drawing will be held to select applicants. Applicant may designate the areas, in order of preference by number for any permits in non-resident areas that may be available. If a permit is not available the $20.00 fee will be returned to the applicant. Only one $20.00 antelope permit may be issued to an applicant. Applicant shall state his name, address and areas of choice, and enclose a $20.00 money order or certified check with application. Non-residents may apply as a group up to six individuals on one application. If a drawing is necessary to award permits the application will be entered as one—either all or none will be given permits.

NOTE: Area quota figures will not be available until spring census figures have been compiled, prior to the August 15th drawing.

AREA No.	Location	Dates
1	Sweet Grass Hills	Oct. 12-Nov. 9
2	North Blaine and Hill	Oct. 12-Nov. 9
3	North Phillips	Oct. 12-Nov. 9

SPECIAL ANTELOPE SEASONS FOR 1958

1 SWEET GRASS HILLS: Those portions of Liberty, Hill and Toole Counties lying north of Highway 2, east of Highway 91 and west of the Milk River.
Antelope—quota to be announced later, from October 12 through November 9.

2 NORTH BLAINE AND HILL: Those portions of Blaine and Hill Counties lying north of Highway 2 and east of the Milk River.
Antelope—quota to be announced later, from October 12 through November 9.

3 NORTH PHILLIPS: That portion of Phillips County lying north of Highway 2 and west of Frenchman Creek.
Antelope—quota to be announced later, from October 12 through November 9.

4 TETON-MARIAS: That area bounded on the west by Highway 91, on the south by Highway 89 and the Missouri River, on the east by the Marias River and the county line between Hill and Liberty Counties, and on the north by Highway 2, with the exception of the Brinkman Game Preserve.
Antelope—quota to be announced later, from October 12 through November 23.

5 SOUTH PHILLIPS: Those portions of Phillips and Valley Counties lying south of Highway 2 and west of Larb Creek and Timber Creek with the exception of the Fort Peck Game Range and Bowdoin Refuge.
Antelope—quota to be announced later, from September 7 through November 9.

6 BIG SANDY: That portion of Hill County lying west of Highway 87 and south of Highway 2 and that portion of Chouteau County lying north of the Missouri River and east of the Marias River.
Antelope—quota to be announced later, from October 12 through November 9.

7 SQUARE BUTTE: Those portions of Fergus, Chouteau and Judith Basin Counties lying south of the Missouri River, west of the Judith River and north of Highway 87.
Antelope—quota to be announced later, from October 12 through November 23.

8 NORTH FERGUS AND PETROLEUM: Those portions of Fergus, Petroleum and Judith Basin Counties lying north of Highways 87 and 18 and east of the Judith River, with the exception of the Fort Peck Game Range.
Antelope—quota to be announced later, from October 12 through November 23.

9 MEAGHER: That portion of Meagher County bounded on the north by Beaver Creek, Sheep Creek, and the King's Hill road, on the south by Sixteen-Mile Creek, and on the east by a line running from the county line southeast of King's Hill, down Spring Creek to the Musselshell, up the South Fork of the Musselshell to Cottonwood Creek and south to the head of Cottonwood Creek.
Antelope—quota to be announced later, from October 12 through November 23.

10 NORTH WHEATLAND: Those portions of Wheatland, Meagher and Golden Valley Counties lying north of Highway 6, east of Spring Creek and west of Swimming Woman Creek.
Antelope—quota to be announced later, from October 12 through November 2.

11 SAND COULEE: That portion of Cascade County east of the Smith River and south of a line beginning at the mouth of the Smith River, thence down the Missouri River to Great Falls, thence southeast along Highway 87 to Belt Creek, thence south along Highway 89 to the county line.
Antelope—quota to be announced later, from October 12 through November 23.

12 FLATWILLOW-WILLOW CREEK: Those portions of Fergus, Petroleum and Musselshell Counties lying south of Highway 18, east of Highway 87 and bounded on the south and east by the Musselshell River.
Antelope—quota to be announced later, from October 12 through November 2.

13 BUFFALO: Those portions of Fergus and Judith Basin Counties lying south of the Judith River and south of Highway 87 and west of Rock Creek and Timber Creek in the Snowy Mountains.
Antelope—quota to be announced later, from October 12 through November 23.

14 WILLOW CREEK: Those portions of Musselshell, Golden Valley, Petroleum and Fergus Counties north of Highway 6, east of Swimming Woman Creek, west of Highway 87 and bounded on the north by a line beginning at the head of Swimming Woman Creek, thence along the Snowy Mountains divide in an easterly direction to Durfee Creek, thence down Durfee Creek to Flatwillow Creek, thence down Flatwillow Creek to Highway 87.
Antelope—quota to be announced later, from October 12 through November 2.

15 TWODOT: Those portions of Wheatland, Sweet Grass, and Meagher Counties bounded by the following line beginning at Harlowton, thence south along Highway 19 to Sweet Grass Creek, thence up Sweet Grass Creek to the crest of the Crazy Mountains, thence along said crest in a northerly direction to Cottonwood Creek, thence down Cottonwood Creek to the South Fork of the Musselshell River, thence down said river to the Musselshell River, thence down said river to Harlowton, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

16 FISH CREEK: Those portions of Wheatland, Golden Valley and Sweet Grass Counties bounded on the west by Highway 19, on the south and east by Fish Creek and the north by Highway 6.
Antelope—quota to be announced later, from October 12 through November 2.

17 CLARK FORK: Those portions of Stillwater, Carbon, Yellowstone and Big Horn Counties bounded on the north by the Yellowstone River, the west by the Stillwater River, on the south the Wyoming State line, and on the east beginning at the mouth of Pryor Creek, up Pryor Creek to the Pryor Gap road along said road to Sage Creek, down Sage Creek to the Wyoming State line.
Antelope—quota to be announced later, from October 12 through November 2.

18 SWEET GRASS CREEK: Those portions of Sweet Grass, Stillwater, Golden Valley and Wheatland Counties bounded on the south by the Yellowstone River, on the east by the Columbus-Rapelje-Ryegate road, and the west along Sweet Grass Creek from the Yellowstone River to Melville, and along Highway 19 from Melville to Fish Creek, and on the north by Fish Creek.
Antelope—quota to be announced later, from October 12 through November 2.

19 MOLT-BROADVIEW: Those portions of Stillwater, Golden Valley and Yellowstone Counties bounded on the south by the Yellowstone River, on the east by the Billings-Lavina highway, on the north by Highway 6, on the west by the Columbus-Rapelje-Ryegate road.
Antelope—quota to be announced later, from October 12 through November 2.

20 BILLINGS AREA: Those portions of Yellowstone, Golden Valley and Musselshell Counties bounded on the south and west by the Billings-Lavina highway, on the north by Highway 6 and on the east by Highway 87.
Antelope—quota to be announced later, from October 12 through November 2.

21 HARDIN: Those portions of Big Horn and Yellowstone Counties bounded on the north by the Yellowstone River, on the east by the Big Horn River, on the south by the St. Xavier-Pryor road and on the west by Pryor Creek.
Antelope—quota to be announced later, from October 12 through November 2.

22 DURFEE HILLS: That portion of Fergus County bounded on the north by the Lewistown-Grass Range road (Highways 87 and 18), on the east by Highway 87, on the south by a line beginning where Flatwillow Creek crosses Highway 87, thence up Flatwillow Creek to Durfee Creek, thence up Durfee Creek to the Snowy Mountain divide, thence westerly along said divide to the Lewistown-Red Hill road, and on the west by the Lewistown-Red Hill road.
Antelope—quota to be announced later, from October 12 through November 2.

23 BIRDTAIL: Those portions of Lewis and Clark and Cascade Counties lying east of Highway 33 and between the Missouri River, Wolf Creek, and the Sun River.
Antelope—quota to be announced later, from October 12 through November 23.

24 BULL MOUNTAIN: Those portions of Musselshell, Rosebud, Yellowstone and Treasure Counties bounded on the west by Highway 87, on the south by the Yellowstone River, on the east and north by Highway 6.
Antelope—quota to be announced later, from October 12 through November 2.

28 McCONE: Those portions of McCone and Garfield Counties lying north of Highway 18, west of Highway 13, and east of Big Dry Creek, except the Fort Peck Game Range.
Antelope—quota to be announced later, from October 12 through November 9.

29 RICHLAND-DAWSON: Those portions of McCone, Richland and Dawson Counties lying east of Highway 13, north of Highway 18, and northwest of Highway 14.
Antelope—quota to be announced later, from October 12 through November 9.

31 NORTH VALLEY: Those portions of Valley and Phillips Counties lying north of Highway 2 and east of Frenchman Creek, and west of Highway 22 with the exception of the Cherry Creek Preserve.
Antelope—quota to be announced later, from October 12 through November 9.

37 SOUTH VALLEY: Those portions of Phillips and Valley Counties lying south of Highway 2, west of the Fort Peck-Glasgow highway and east of Larb Creek and Timber Creek, with the exception of the Fort Peck Game Range.
Antelope—quota to be announced later, from October 12 through November 9.

38 MEDICINE LAKE: Those portions of Sheridan and Roosevelt Counties lying north of Highway 2, east of Highway 16, and south of Highway 5, with the exception of Medicine Lake Refuge.
Antelope—quota to be announced later, from October 12 through November 9.

41 RADERSBURG: That portion of Broadwater County lying west of the Missouri River and that portion of Jefferson County lying east of the Helena-Boulder-Cardwell road and north of Highway 10.
Antelope—quota to be announced later, from September 15 through October 19.

42 HOUND CREEK: That portion of Cascade County lying south of the Missouri River and west of the Smith River.
Antelope—quota to be announced later, from September 15 through October 19.

43 WILLOW CREEK-THREE FORKS: Beginning at Bozeman, thence along Highway 10 to Sappington Junction, thence along Highway 1 to Norris, thence along the Norris-Bozeman cutoff road to Bozeman.
Antelope—quota to be announced later, from September 15 through October 19.

44 WATERLOO: Beginning at Boulder, thence along the Boulder River road in a southerly direction to Highway 10, thence east on Highway 10 to Sappington Junction, thence south along Highway 1 to Ennis, thence along Highway 34 to Twin Bridges, thence along the Big Hole River to Divide, thence along Highway 91 to Boulder.
Antelope—quota to be announced later, from September 15 through October 19.

45 RATTLESNAKE: Beginning at the mouth of Grasshopper Creek, thence up said creek to Dyce Creek, thence up said creek to the Pioneer Range divide, thence along said divide to Rock Creek, thence down said creek to the Big Hole River and to the Beaverhead River, thence up said river to Grasshopper Creek, the point of beginning.
Antelope—quota to be announced later, from September 15 through October 19.

46 SHEEP CREEK: That portion of Beaverhead County lying south of the Horse Prairie Creek road and west of Highway 91.
Antelope—quota to be announced later, from September 15 through October 19.

47 BLACKTAIL: Those portions of Beaverhead and Madison Counties bounded on the west and south by the Blacktail drainage, on the east by the Ruby River and on the north by the Beaverhead River.
Antelope—quota to be announced later, from September 15 through October 19.

48 CENTENNIAL: That portion of Beaverhead County lying east of Highway 91 and within the Red Rock River drainage above Clark Canyon near Armstead (the Red Rock Refuge shall be excluded from this area).
Antelope—quota to be announced later, from September 15 through October 19.

49 WEST BOULDER: Beginning at Livingston, thence in an easterly direction along Highway 10 to Big Timber, thence in a southerly direction up the Boulder River to its source, thence following the Yellowstone-Boulder divide in a northwesterly direction to Livingston, the point of beginning.
Antelope—quota to be announced later, from September 15 through October 19.

50 NORTH GALLATIN: That portion of Gallatin County lying north of Highway 10 and lying within the Missouri River drainage.
Antelope—quota to be announced later, from September 15 through October 19.

51 CAMERON: That portion of Madison County lying within the Madison River drainage between Falls Creek and Squaw Creek on the east side of the river and between Highway 34 and Standard Creek on the west side of the Madison River.
Antelope—quota to be announced later, from September 15 through October 19.

52 SHIELDS RIVER: Those portions of Park, Meagher and Gallatin Counties lying within the Shields River drainage and that portion of Meagher County lying south of Sixteen Mile Creek.
Antelope—quota to be announced later, from September 15 through October 19.

53 BIG TIMBER: Those portions of Sweet Grass and Park Counties bounded on the south by the Yellowstone River, on the west by Duck Creek and on the north and east by Sweet Grass Creek.
Antelope—quota to be announced later, from September 15 through October 19.

70 NORTH GARFIELD: Beginning near Mosby where the Highway 18 bridge crosses the Musselshell River, thence down said river in a northerly direction to the Fort Peck Game Range boundary, thence in an easterly direction along said boundary to Big Dry Creek, thence up Big Dry and Little Dry Creeks to Highway 18 and west along said highway to Mosby, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

71 NORTH ROSEBUD: From the Yellowstone River bridge at Miles City, up the Yellowstone River in a westerly direction to the Highway 6 bridge at Forsyth, thence in a northwesterly direction along Highway 6 to the Musselshell River bridge near Melstone, thence down the Musselshell River in a northerly direction to the Highway 18 bridge near Mosby, thence in an easterly direction along Highway 18 to Jordan, thence in a southeasterly direction along Highway 22 to the Yellowstone River bridge, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

72 SOUTH ROSEBUD: Beginning at the mouth of the Tongue River at Miles City, thence up the Tongue River to the Tongue River-Northern Cheyenne Indian Reservation line, thence west along this line to the Crow Indian Reservation line, thence north and west along this line to the Big Horn River, thence down said river in a northerly direction to the Yellowstone River, thence down the Yellowstone River to the mouth of the Tongue River, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

73 NORTH PRAIRIE: Beginning at the Miles City bridge, thence along Highway 22 to Jordan, thence in an easterly direction along Highway 18 through Circle and to the Glendive bridge, thence up the Yellowstone River to the Miles City bridge, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

74 MIZPAH: From Miles City east on Highway 12 to the Powder River bridge and in a southerly direction up the Powder River to the Highway 212 bridge, thence north and west along Highway 212 to Miles City, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

75 NORTH WIBAUX: From the junction of Highways 10 and 14 near Glendive, north on Highway 14 to the North Dakota State line and south on the North Dakota State line to Highway 10 and west on Highway 10 through Wibaux and Glendive, to the junction of Highway 10 and 14, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

76 NORTH FALLON: From Miles City, thence down the Yellowstone River in a northeasterly direction to the Yellowstone River bridge at Glendive, thence in an easterly direction along Highway 10 to the North Dakota State line, thence south along the North Dakota State line to Highway 12, thence in a westerly direction along Highway 12 to Miles City, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

77 NORTH CARTER: From the Powder River bridge on Highway 12, east along Highway 12 to Baker, thence south on the Baker-Ekalaka-Hammond road to Hammond, thence north and west along Highway 212 to the Powder River bridge, thence in a northerly direction down the Powder River to the Highway 12 bridge, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

78 EAST CARTER: Beginning at Baker, thence east along Highway 12 to the State line, thence south along the North and South Dakota State lines to the Wyoming State line, thence west along the State line to Highway 212, thence north and west along Highway 212 to Hammond, thence along the Hammond-Ekalaka-Baker road to Baker, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

79 LITTLE POWDER: From the Powder River bridge just south of Broadus, south and east on Highway 212, through Alzada to the Wyoming State line, thence west on the Wyoming State line to Powder River, thence north and east down the Powder River to the Highway 212 bridge near Broadus, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

740 OTTER CREEK: From the Tongue River bridge on Highway 8, just west of Ashland, east through Ashland on Highway 8 to Highway 212 and south and east on Highway 212 through Broadus to the Powder River bridge, thence up the Powder River to the Wyoming State line, thence west along the Wyoming State line to the Tongue River, thence down the Tongue River to the Highway 8 bridge, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

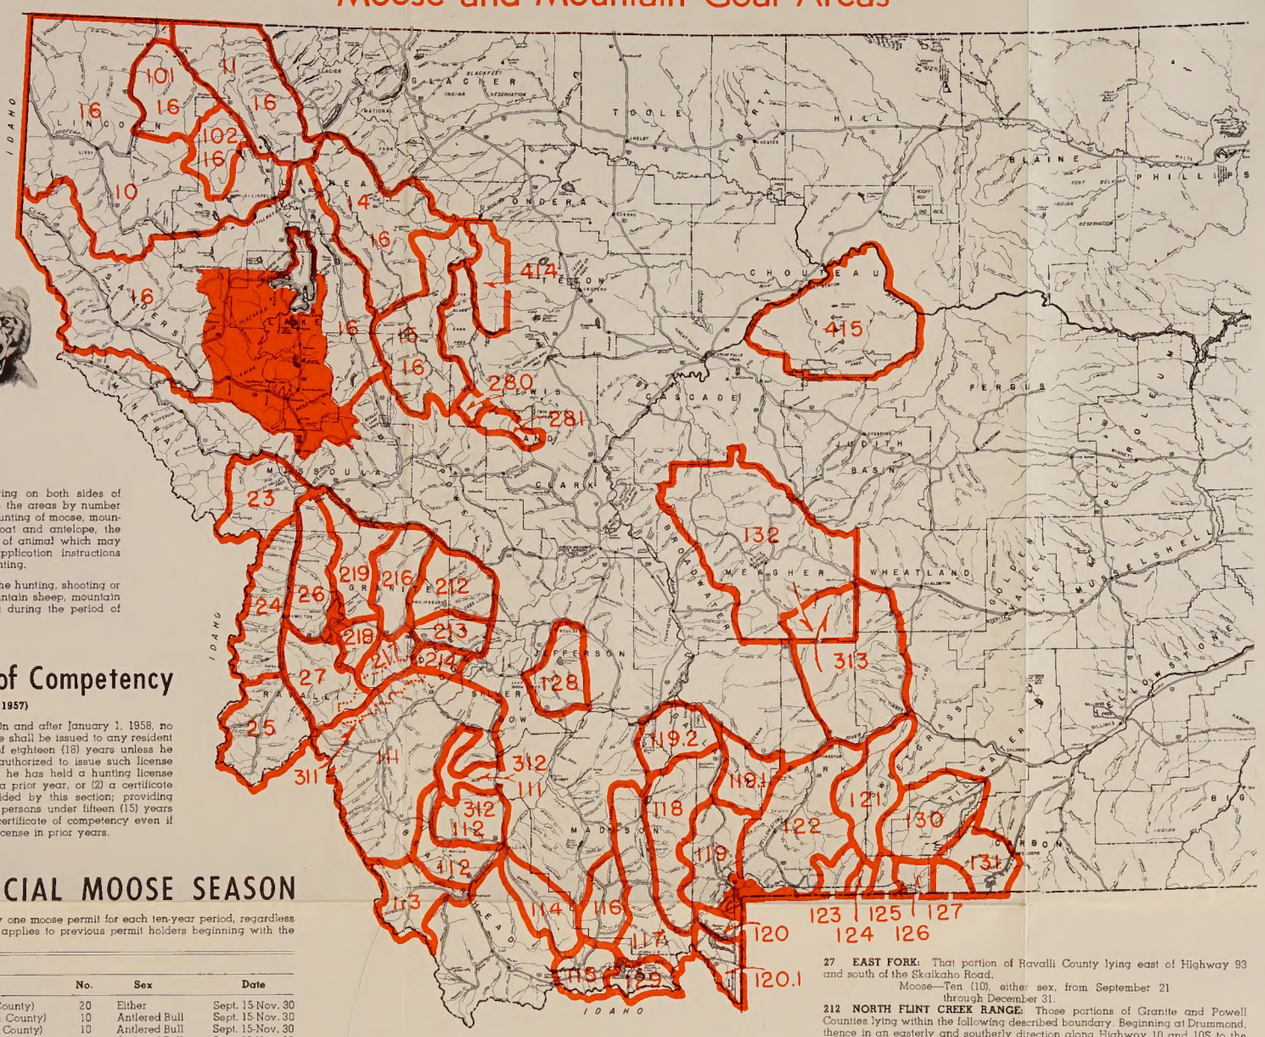
741 BEAVER-LISCOM: From Miles City, south and east on Highway 212 to the junction with Highway 8, just north of Broadus, thence west on Highway 8, through Ashland to the Tongue River, thence in a northerly direction down the Tongue River to Miles City, the point of beginning.
Antelope—quota to be announced later, from October 12 through November 2.

215 DOG CREEK-COTTONWOOD CREEK: Those portions of Powell and Deer Lodge Counties lying east of Highway 10S, south of Highway 10N, and west of the Continental Divide.
Antelope—quota to be announced later, from October 12 through November 23.

TRIBUNE PRINTING AND OFFICE SUPPLY, GREAT FALLS, MONTANA

Wildlife Div.

Moose and Mountain Goat Areas



The regulations appearing on both sides of this publication describe the areas by number which are open to the hunting of moose, mountain sheep, mountain goat and antelope, the open season dates, sex of animal which may be token, bag limit, application instructions and areas closed to hunting.

All areas are closed to the hunting, shooting or capturing of moose, mountain sheep, mountain goat or antelope except during the period of time herein specified.

Certificate of Competency

CHAPTER 16 (LAWS OF 1957)

26-202.1. Section 2 (a). On and after January 1, 1958, no big game hunting license shall be issued to any resident person under the age of eighteen (18) years unless he presents to the person authorized to issue such license either: (1) evidence that he has held a hunting license issued by this state in a prior year, or (2) a certificate of competency as provided by this section; providing further that all resident persons under fifteen (15) years of age must present a certificate of competency even if he has held a hunting license in prior years.

1958 SPECIAL MOOSE SEASON

Hunters are allowed only one moose permit for each ten-year period, regardless of hunting success. This applies to previous permit holders beginning with the 1953 season.

AREA No.	Location	No.	Sex	Date
101	Eureka (Lincoln County)	20	Either	Sept. 15-Nov. 30

131	Rock Creek	2	Either	Sept. 21-Dec. 31
132	Meagher County	5	Antlered Bull	Sept. 15-Nov. 30

MOOSE SEASONS FOR 1958

101 EUREKA (Lincoln County): Beginning at Eureka, thence west and south along Highway 37 to Warland, thence up Cripple Horse Creek road to trail, easterly to the Weigel-Cripple Horse divide, thence in a northerly and easterly direction to Davis Mountain and to Elk Mountain, thence in a northeasterly direction along the Sunday Creek-Martin Creek Divide following the Kootenai Forest boundary to Highway 93 one-half mile northwest of Duck Lake, thence northwest to Eureka, the point of beginning.
Moose—Twenty (20), either sex, from September 15 through November 30.

102 STILLWATER (Lincoln County): Beginning on Highway 93 one-half mile northwest of Duck Lake, thence southwesterly along the Flathead Forest boundary and the divide between Sunday Creek and Good Creek, thence following said divide to Elk Mountain, Tepee Mountain, Sanders Mountain, Pleasant Valley Mountain, around and including the entire Logan Creek drainage and along Reid Divide to Tally Lake, thence in a north and easterly direction along Logan Creek and the old county road to Highway 93 near Lupfer, thence along Highway 93 to the point of beginning.
Moose—Ten (10), antlered bulls, from September 15 through November 30.

10 KOOTENAI (Lincoln County): Those portions of Lincoln and Flathead Counties excluding areas 101 and 102 and bounded on the south by the Lincoln-Sanders County line and Highway 2, bounded on the east by a line beginning where Highway 2 crosses Flathead River east of Kalispell, thence up said river to Highway 40, thence northwesterly along Highway 40 and Highway 93 to the International Boundary.
Moose—Ten (10), antlered bulls, from September 15 through November 30.

11 NORTH FORK: Those portions of Lincoln and Flathead Counties bounded on the west and south by Highway 93 and Highway 40 and bounded on the east by the Flathead River and Glacier Park.
Moose—Ten (10), antlered bulls, from September 15 through November 30.

14 LOWER SOUTH FORK MIDDLE FORK: Those portions of the lower South Fork and Middle Fork of the Flathead River drainages lying below the following described line: Beginning on the Swan Divide near Creamus Peak, thence following a divide easterly to Stadium Peak, Marmot Mountain, Hungry Mountain, thence down Slick Creek, up Black Bear Creek and up Rambler Creek to Silvertip Mountain, thence down Silvertip Creek to Spotted Bear River, thence up U.S.F.S. Trails 43 and 171 to Gunsight Peak, thence down Schafer Creek to the Middle Fork of the Flathead River, thence up said river to the mouth of Coibick Creek, thence up said creek and U.S.F.S. Trail 316 to the Continental Divide.
Moose—Ten (10), antlered bulls, from September 15 through November 30.

15 UPPER SOUTH FORK MIDDLE FORK: Those portions of the upper South Fork and Middle Fork of the Flathead River drainages lying above the line described in Area 14.
Moose—Ten (10), antlered bulls, from September 15 through November 30.

23 LOLO-PETTY CREEK: Those portions of Missoula, Mineral and Ravalli Counties lying within the following described boundary: Beginning at the junction of Highway 10 and Highway 93 in Missoula, thence south along Highway 93 to Lolo Creek, thence up Lolo Creek to the Lolo Creek-Morman Creek divide, thence up the Lolo Creek-Morman Creek divide in a west and southerly direction to the Montana-Idaho border, thence northwest along the Montana-Idaho border to the Lolo Creek-Fish Creek divide, thence northeast along the Lolo Creek-Fish Creek divide to the Fish Creek-Petty Creek divide, thence along this divide in a northerly direction to the Fish Creek-Sawmill Creek divide, thence in a northerly direction along this divide to Cyr and Highway 10, thence east along Highway 10 to Missoula, point of beginning.
Moose—Five (5), either sex, from October 19 through December 31.

24 WEST BITTERROOT: That portion of Ravalli County lying west of Highway 93 and north of Tin Cup Creek, and that portion of Missoula County lying west of Highway 93 and south of Morman Creek-Lolo Creek divide.
Moose—Ten (10), either sex, from September 21 through December 31.

25 WEST FORK: That portion of Ravalli County lying west of Highway 93 and south of Tin Cup Creek.
Moose—Fifteen (15), either sex, from September 21 through December 31.

26 EAST BITTERROOT: That portion of Ravalli County lying east of Highway 93 and north of the Skalkaho Road, and that portion of Missoula County lying east of Highway 93 and west of the Bitterroot-Clark Fork divide.
Moose—Ten (10), either sex, from September 21 through December 31.

27 EAST FORK: That portion of Ravalli County lying east of Highway 93 and south of the Skalkaho Road.
Moose—Ten (10), either sex, from September 21 through December 31.

212 NORTH FLINT CREEK RANGE: Those portions of Granite and Powell Counties lying within the following described boundary. Beginning at Drummond, thence in an easterly and southerly direction along Highway 10 and 10S to the Race Track Creek bridge, thence up Race Track Creek in a westerly direction to Race Track Lake and the trail to Red Lion Road, thence down the Red Lion Road to its junction with Highway 10A at Georgetown Lake, thence in o west and northerly direction along Highway 10A to Drummond, the point of beginning.
Moose—Fifteen (15), either sex, from October 19 through December 31.

213 SOUTH FLINT CREEK RANGE: Those portions of Granite, Powell and Deer Lodge Counties lying within the following described boundary: Beginning at a point on the junction of the Red Lion Road and Highway 10A at Georgetown Lake, thence in a northeasterly direction along Red Lion Road and trail to Race Track Lake, thence in an easterly direction along Race Track Creek to the bridge on Highway 10S, thence along Highway 10S in a southerly direction to its junction with Highway 10A, thence along Highway 10A in a westerly direction to its junction with the Red Lion Road at Georgetown Lake, the point of beginning.
Moose—Five (5), either sex, from October 19 through December 31.

214 MILL CREEK: That portion of Deer Lodge County bounded on the north by Highway 10A, on the east by the Mill Creek Road, on the south by the Continental Divide, and on the west by the Mt. Tiny-Storm Lake Trail and Road.
Moose—Five (5), either sex, from October 19 through December 31.

216 WEST FLINT CREEK: That portion of Granite County lying within the following described boundaries: Beginning at Drummond, thence south along Highway 10A to its junction with Route 38, thence westerly along Route 38 to the concrete bridge on Rock Creek, thence down Rock Creek to the mouth of Upper Willow Creek, thence north along the Upper Willow Creek-Rock Creek divide to the Tyler Creek headwaters, thence down Tyler Creek to the Clark Fork River and Highway 10, thence east along Highway 10 to Drummond, the point of beginning.
Moose—Ten (10), either sex, from October 19 through December 31.

217 UPPER ROCK CREEK: Those portions of Granite and Deer Lodge Counties lying within the following described boundaries: Beginning at the junction of Highway 10A and Route 38, thence southerly along Highway 10A to the Storm Lake Road, thence along the Storm Lake Road and Trail to Mt. Tiny and the Continental Divide, thence southwest along the Continental Divide to the Bitterroot-Rock Creek divide, thence northerly along the Bitterroot-Rock Creek divide to the Ross Fork-Middle Fork of Rock Creek divide, thence along this divide to Route 38, thence easterly along Route 38 to its junction with Highway 10A, the point of beginning.
Moose—Five (5), either sex, from September 21 through December 31.

218 ROSS FORK: That portion of Granite County lying within the West Fork and Ross Fork drainages of Rock Creek.
Moose—Twenty-five (25), either sex, from September 21 through January 15.

219 LOWER ROCK CREEK: Those portions of Granite and Missoula Counties lying within the following described boundaries: Beginning at a point on Highway 10 opposite the mouth of Tyler Creek, thence south across the Clark Fork River and up Tyler Creek to the Rock Creek-Harvey Creek and Upper Willow Creek divide, thence south along said divide to Rock Creek, thence up Rock Creek to the North divide of the West Fork of Rock Creek, thence west along said West Fork divide to the Bitterroot-Rock Creek divide, thence north along the Bitterroot River-Rock Creek and Clark Fork River divide to Missoula, thence east along Highway 10 to the point of beginning on Highway 10 north of the mouth of Tyler Creek.
Moose—Five (5), either sex, from October 19 through December 31.

111 BIG HOLE: Those portions of Beaverhead, Deer Lodge and Silver Bow Counties lying within the Big Hole River drainage above Rock Creek and bounded on the east side by Highway 91.
Moose—Sixty (60), either sex, from October 19 through November 30.

112 GRASSHOPPER: That portion of Beaverhead County lying within the Grasshopper, Rattlesnake, Willow and Birch Creek drainages.
Moose—Twenty (20), either sex, from September 21 through November 30.

113 HORSE PRAIRIE. That portion of Beaverhead County lying within the Horse Prairie Creek drainage and bordered on the south by the Horse Prairie Creek road to the divide between Horse Prairie Creek and Medicine Lodge Creek and then along this divide to the Montana-Idaho State line.
Moose—Twenty (20), either sex, from September 21 through January 31.

114 BLACKTAIL: That portion of Beaverhead County lying within the Blacktail Creek drainage.
Moose—Ten (10), either sex, from October 19 through December 31.

115 LOWER RED ROCK: That portion of Beaverhead County lying within the Red Rock River drainage above Lima Dam and below Brundage and Mud Creeks.
Moose—Fifteen (15), either sex, from October 19 through January 31.

116 RUBY RIVER: Those portions of Madison and Beaverhead Counties lying within the Ruby River drainage above and including the drainages of Greenhorn and Ledford Creeks.
Moose—Twenty-five (25), either sex, from October 19 through November 30.

117 WEST MADISON: Those portions of Madison and Beaverhead Counties lying west of the Madison River above and including the Meadow Creek drainage.
Moose—Twenty (20), either sex, from October 19 through November 30.

118 MADISON-SPANISH CREEK: That portion of Madison County within the Madison River drainage lying east of Highway 1 between Norris and the Gallatin-Madison County line to the south and south of the Highway between Norris and Bozeman, and that port of Gallatin and Madison Counties within the Spanish Creek drainage.
Moose—Thirty-five (35), either sex, from October 5 through November 30.

119 UPPER GALLATIN: Those portions of Gallatin and Madison Counties lying within the West Gallatin River drainage and bounded on the north by the Spanish Creek-Hell Roaring Creek divide and Squaw Creek.
Moose—Thirty-five (35), either sex, from October 5 through November 30.

119.1 LOWER GALLATIN: Those portions of Gallatin and Yellowstone Counties lying within the East Gallatin River and West Gallatin River drainages bounded on the south by Squaw Creek, on the west by the West Gallatin River and on the north by Highway 10.
Moose—Twenty (20), either sex, from October 5 through November 30.

119.2 THREE FORKS. Those portions of Gallatin, Madison, Jefferson and Broadwater Counties included in the area bounded by a line going north from Norris along Highway 1 to its junction with Highway 10, east along Highway 10 to the bridge over the Jefferson River, down the Jefferson to the Missouri River, down the Missouri River to the Gallatin River, up the Gallatin River to the West Gallatin River, up the West Gallatin River to Highway 34, then west along Highway 34 to Norris.
Moose—Five (5), either sex, from October 5 through November 30.

120 GRAYLING CREEK: That portion of southern Gallatin County lying in the Madison River drainage bounded on the south by Highways 191 and 1.
Moose—Ten (10), either sex, from October 5 through November 30.

120.1 HEBGEN: That portion of southern Gallatin County lying in the Madison River drainage bounded on the north by Highways 191 and 1.
Moose—Ten (10), either sex, from October 5 through November 30.

121 BOULDER: Those portions of Park and Sweet Grass Counties lying within the Boulder River drainage.
Moose—Fifteen (15), either sex, from October 5 through November 30.

122 YELLOWSTONE RIVER: Those portions of Park and Gallatin Counties lying within the Yellowstone River drainage above Livingston, excluding the Hellroaring-Cottonwood-Little Cottonwood-Buffalo Fork and Slough Creek areas, and that portion of Park County lying within the Poison, Chicken, and Mission Creek drainages below Livingston.
Moose—Ten (10), either sex, from October 5 through November 30.

123 HELLROARING: That portion of Park County lying within the drainages of Hellroaring, Cottonwood and Little Cottonwood Creeks.
Moose—Five (5), either sex, from September 7 through November 30.

124 BUFFALO FORK: That portion of Park County lying within the drainage of Buffalo Fork Creek.
Moose—Five (5), either sex, from September 7 through November 30.

125 SLOUGH CREEK: That portion of Park County lying within the drainage of Slough Creek.
Moose—Five (5), either sex, from September 7 through November 30.

126 COOKE CITY: That portion of Park County lying east of the Slough Creek drainage.
Moose—Five (5), either sex, from September 7 through November 30.

127 BEARTOOTH PLATEAU: That portion of Carbon County lying within the Gallatin National Forest boundary (south of Granite Peak).
Moose—Five (5), either sex, from September 7 through November 30.

128 WHITETAIL RATIO: Those portions of Jefferson and Silver Bow Counties lying west of the Boulder-Whitehall road, north of Highway 10, and south of Highway 91 between Butte and Boulder.
Moose—Five (5), either sex, from October 5 through November 30.

129 UPPER RED ROCK: That portion of Beaverhead County lying in the Red Rock River drainage above Brundage and Mud Creeks.
Moose—Twenty-five (25), either sex, from October 19 through December 31.

130 STILLWATER: Those portions of Stillwater and Sweet Grass Counties lying within the Stillwater River drainage above Absarokee and including the Fishtail Creek-West Rosebud Creek drainages.
Moose—Ten (10), either sex, from September 21 through December 31.

131 ROCK CREEK: That portion of Carbon County bounded on the west by and including the East Rosebud River drainage, on the north by the Roscoe-Luther-Red Lodge road, on the east by and including the Rock Creek drainage and on the south by the Wyoming State line and the Gallatin Forest boundary.
Moose—Two (2), either sex, from September 21 through December 31.

132 MEAGHER COUNTY: Meagher County in its entirety.
Moose—Five (5), antlered bulls, from September 15 through November 30.

1958 SPECIAL GOAT SEASON

PERMITS are required to hunt mountain goats in all areas. Where the number to be taken is unlimited, permits will be available from the State Fish and Game Department, Helena, Montana, and from license agents in those areas.

AREA No.	Location	No.	Sex	Date
16	N. Western Mont.—Dist. 1	Not Limited	Either	Sept. 15-Nov. 23
24	West Bitterroot	35	Either	Sept. 21-Nov. 30
25	West Fork	10	Either	Sept. 21-Nov. 30
212	North Flint Creek Range	5	Either	Oct. 19-Nov. 30
213	South Flint Creek Range	5	Either	Oct. 19-Nov. 30
280	North Fork Blackfoot	Not Limited	Either	Sept. 21-Oct. 31
281	Olson Peak-Alice Creek	20	Either	Oct. 19-Nov. 30
311	Pintlar	50	Either	Sept. 21-Nov. 30
312	Pioneer Range	40	Either	Sept. 15-Nov. 30
313	Crazy Mountains	200	Either	Sept. 15-Nov. 30
414	Teton	40	Either	Sept. 15-Nov. 30
415	Square Butte	5	Either	Oct. 19-Nov. 30

GOAT SEASONS FOR 1958

16 NORTHWESTERN MONTANA—DISTRICT 1: All of areas 10 through 15 described on the 1958 General Big Game (Deer and Elk) Hunter Map, including the following ranges: Cabinet, Mission, Swan, North Fork of Flathead, Middle Fork of Flathead, and South Fork of Flathead.
Goats—no limit (drawing not required for permits), either sex, from September 15 through November 23.

24 WEST BITTERROOT: That portion of Ravalli County lying west of Highway 93 and north of Tin Cup Creek, and that portion of Missoula County lying west of Highway 93 and south of Morman Creek-Lolo Creek divide.
Goats—thirty-five (35), either sex, from September 21 through November 30.

25 WEST FORK: That portion of Ravalli County lying west of Highway 93 and south of Tin Cup Creek.
Goats—ten (10), either sex, from September 21 through November 30.

212 NORTH FLINT CREEK RANGE: Those portions of Granite and Powell Counties lying within the following described boundary: Beginning at Drummond, thence in an easterly and southerly direction along Highway 10 and 10S to the Race Track Creek bridge, thence up Race Track Creek in a westerly direction to Race Track Lake and the trail to Red Lion Road, thence down the Red Lion Road to its junction with Highway 10A at Georgetown Lake, thence in a west and northerly direction along Highway 10A to Drummond, the point of beginning.
Goats—five (5), either sex, from October 19 through November 30.

213 SOUTH FLINT CREEK RANGE: Those portions of Granite, Powell, and Deer Lodge Counties lying within the following described boundary: Beginning at a point on the junction of the Red Lion Road and Highway 10A at Georgetown Lake, thence in a northeasterly direction along Red Lion Road and trail to Race Track Lake, thence in an easterly direction along Race Track Creek to the bridge on Highway 10S, thence along Highway 10S in a southerly direction to its junction with Highway 10A, thence along Highway 10A in a westerly direction to its junction with the Red Lion Road at Georgetown Lake, the point of beginning.
Goats—five (5), either sex, from October 19 through November 30.

280 NORTH FORK BLACKFOOT: That portion of the North Fork of the Blackfoot River drainage lying north of the Dry Fork and north of the North Fork above the Dry Fork Guard Station.
Goats—no limit (drawing not required for permits), either sex, from October 19 through October 31.

281 OLSON PEAK-ALICE CREEK: That portion of Lewis and Clark County south of the Continental Divide, east of the North Fork of the Blackfoot River, and north of a line beginning at the mouth of the East Fork, thence up said stream to Webb Lake, thence down drainage from said lake to Landers Fork, thence down said stream to the National Forest boundary, thence along said boundary to Alice Creek, thence up said creek to Ranger Station, thence eastward along the old road to Lewis and Clark Pass.
Goats—twenty (20), either sex, from October 19 through November 30.

311 PINTLAR: Those portions of Granite, Deer Lodge, Ravalli, and Beaverhead Counties lying in the Pintlar Primitive Area.
Goats—fifty (50), either sex, from September 21 through November 30.

312 PIONEER RANGE: That portion of Beaverhead County bounded on the west by the Wise River road, on the south by Highway 36, on the east by Highway 91 and on the north by the Big Hole River, excluding the Canyon Creek and Trapper Creek drainages.
Goats—forty (40), either sex, from September 15 through November 30.

313 CRAZY MOUNTAINS: Those portions of Sweet Grass, Park, Wheatland, and Meagher Counties lying north of the Yellowstone River, west of Highway 19 and the road between Melville and Twodot, south of the Twodot-Martinsdale-Ringling road and east of Highway 89.
Goats—two hundred (200), either sex, from September 15 through November 30.

414 TETON: That portion of Teton County lying within the Lewis and Clark National Forest boundary.
Goats—forty (40), either sex, from September 15 through November 30.

415 SQUARE BUTTE: That portion of Chouteau County lying south of the Missouri River.
Goats—five (5), either sex, from October 19 through November 30.

SHEEP AREAS SHOWN ON MAP ON OTHER SIDE

1958 SPECIAL SHEEP SEASON

A person is not eligible to receive a sheep permit for the next succeeding ten years in any limited area if he has had a sheep permit anywhere in the State of Montana beginning with the 1953 season.

Any person may apply for a sheep permit in any unlimited area. Permits are available only from the Helena office of the Fish and Game Department.

AREA No.	Location	No.	Sex	Date
10	Kootenai-Stillwater	20	Rams—¾ Curl	Sept. 15-Nov. 30
201	Gallatin-Beartooth	No Quota	Rams—¾ Curl	Oct. 5-Oct. 19
403	Sun River	40	Rams—¾ Curl	Oct. 19-Nov. 30
220	Rock Creek	5	Rams—¾ Curl	Oct. 19-Nov. 30

SPECIAL BIGHORN SHEEP SEASON FOR 1958

10 KOOTENAI-STILLWATER: Those portions of Lincoln and Flathead Counties bounded on the south by the Lincoln-Sanders County line and Highway 2 and bounded on the east by a line beginning where Highway 2 crosses the Flathead River east of Kalispell, thence up said river to Highway 40, thence northwesterly along Highway 40 and Highway 93 to the International Boundary.
Bighorn Sheep—twenty (20), rams with at least a three-quarter curl horn, from September 15 through November 30.

201 GALLATIN BEARTOOTH: Those portions of Gallatin, Madison, Park, Sweet Grass, Stillwater, and Carbon Counties bounded on the west by Highway 1 and the Reynolds Pass road, on the north by Highway 10 and on the east by the Cooke City Highway.
Bighorn Sheep—no limit (drawing not required for permits), rams with at least a three-quarter curl horn, from October 5 through October 19.

NOTE: Persons applying for a sheep permit in this area are advised that this area embraces a high, rugged terrain and it is a difficult area to hunt. Due to these factors, success has been rather low.

403 SUN RIVER: Those portions of Lewis and Clark and Teton Counties lying within the Sun River-Teton Range and more specifically described as follows: Bounded on the south by Welcome Creek, on the west by the Sun River Game Preserve, on the north by the Route Creek-Middle Fork of the Teton trail and road, and on the east by the National Forest boundary.
Bighorn Sheep—forty (40), rams with at least a three-quarter curl horn, from October 19 through November 30.

220 ROCK CREEK: That portion of Granite County lying east of Rock Creek, between and including the drainages of Ranch Creek and Upper Willow Creek.
Bighorn Sheep—five (5), rams with at least a three-quarter curl horn, from October 19 through November 30.
